

## REPLACEMENT

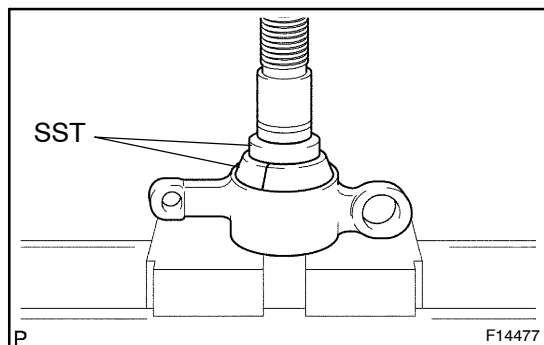

### REPLACE BUSHING

- (a) Using SST and a press, remove the bushing.

SST 09613-26010, 09950-00020,  
09950-60010 (09951-00650)

HINT:

For SST 09613-26010, use 2 thicker half-rings as a pair.

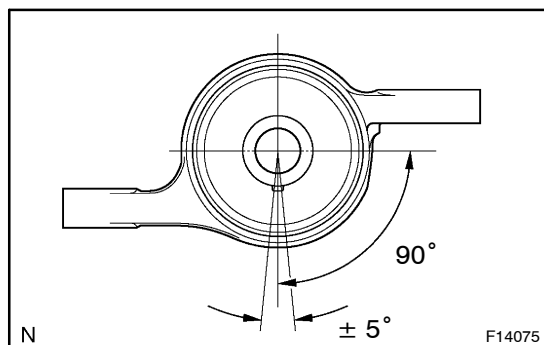

- (b) Using SST and a press, reinstall a bushing as shown in the illustration.

SST 09613-26010, 09950-60010 (09951-00650)

HINT:

For SST 09613-26010, use 2 thicker half-rings as a pair.

HINT:

The index tab of the new bushing should be at a right angle ( $\pm 5^\circ$ ) to the center of the bracket, and facing downwards when seen from outside the vehicle.
