RS0NL-03

## REPLACEMENT

## REPLACEMENT REQUIREMENTS

In the following cases, replace the side and curtain shield airbag sensor assembly.

- If the side curtain shield air bag assembly thas been deployed in a collision.
- If the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly that the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sensor as sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side curtain shield air bag sensor as sembly the side cu
- If the side curtain shield air bag sensor assembly thas been dropped.

## **CAUTION:**

For removal and installation of the side and curtain shield air bag sensor assembly, see page RS-45 and RS-48. Be sure to follow the correct procedure.
